Capital Football	Katie Barrott - Federation Development Officer - <a href="mailto:katie@capitalfootball.org.nz">katie@capitalfootball.org.nz</a> - 0212226819	<a href="http://www.capitalfootball.org.nz">http://www.capitalfootball.org.nz</a>	We can provide in school taster sessions for any year/ group. However typically we would prefer to provide support to our local clubs to run these programmes themselves at schools in their region. This helps the transfer of children from schools into clubs. We do run a Youth Female Football Programme also for highschool girls. These are 6-8 week programmes within a school where we run sessions for girls who would not typically give football a go. We are also happy to do coach and teacher developer sessions, and have delivered these in schools before. There is options to provide support in running zonal/regional tournaments also.	Cost is typically free for taster sessions. Our Youth Female Football Project cost is dependent on grant funding. Developer courses are free for entry level courses, but increase in cost as they proceed along the pathway. Helping run tournaments is free of charge also.	We are free most weekdays for delivery. Term 3 and 4 we are rather available most days so long as our staff are available.	<a href="https://www.nzfootball.co.nz/schools">https://www.nzfootball.co.nz/schools</a>

<b>Hockey Wairarapa</b>	Jess Collins, 0277412520, rdo@hockeywairarapa.org.nz	<a href="http://www.hockeywairarapa.org.nz/Smallsticks-in-Schools">http://www.hockeywairarapa.org.nz/Smallsticks-in-Schools</a>	Smallsticks in schools is a Hockey New Zealand Programme aimed at bringing basic hockey skills and hockey resources into schools to enable every child to give hockey a go.	We have a \$100 administration fee. At the moment the programme delivery is free. We have conditions such as the programme is free for a limited time only, and the dates and times the school wants the programme are based on coach availability.	During school hours, all year round. We have 3 coaches who deliver across a range of sports in the Wairarapa Region. So their availability varies and the school would need to be flexible with the coaches availability.	There is an element of teacher training so that teachers can continue the smallsticks programme once their contract has ended. Trained smallsticks coaches will leave teachers with hockey gear (if the school chooses to purchase), a smallsticks folder full of resources, and the confidence to carry on the programme without the assistance of the smallsticks coach.
